

Bird-X **BIRD-PROOF** LIQUID SPRAY

BIRD-PROOF is a non-toxic, viscous, sticky liquid chemical that makes a surface tacky and uncomfortable to birds. Birds avoid **BIRD-PROOF** like humans avoid wet tar.

Although it is non-toxic and non-lethal, its "feel" is extremely irritating to roosting birds.

Protect your property from the annoyance, mess, and constant clean-up that pest birds cause. It's the easiest way to bird-proof open or recessed areas and hideaway corners.

Use a discharge pressure of 40 psi. One gallon covers up to 120 square feet or an average tree with a 5" diameter trunk.

DRIVE OFF BIRDS THAT ARE INFESTING YOUR PREMISES NOW AND PREVENT NEW BIRDS FROM TAKING OVER!

CLEAN UP YOUR PROPERTY WITH **BIRD-X BIRD PROOF!**

B-X SAFETY SOLVENT CLEANER

BIRD REPELLENT REMOVER. The exceptional dissolving power is faster and easier than traditional solvents. It also cleans other previously difficult-to-remove materials like tar, ink, gum, cement and wax.

Use this solvent to remove **BIRD-PROOF** residue and to clean application equipment. This unique material effectively solubilizes **BIRD-PROOF** for clean, easy rinsing with water.

BIRDS CAN'T STAND THEIR "LANDING STRIPS"
WHEN YOU'VE APPLIED...

Bird-X

BIRD-PROOF REPELLENT

Keep birds off their normal roosting areas with an application of **BIRD-PROOF**, a non-toxic, sticky chemical that makes a surface tacky and uncomfortable to birds. Birds avoid **BIRD-PROOF** like humans avoid wet tar.

It's non-toxic, and harmless to metal structures, sealed masonry and ornamental metals.

Ledges, windowsills, gutters, cornices, ornamental copings and protruding beams & any surface where birds roost or perch.

Water tanks, trees, shrubbery, shipping docks and railroad sidings, yards, parking lots, roof perimeters, air conditioners and more.
